@George

Internet Service

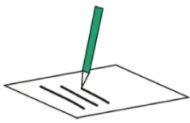

Specification

- Optical fiber line (Unlimited data usage)
- Downloading 100Mbps/Uploading 100Mbps (Best-effort type)

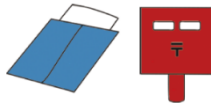

How to get started

Step 1

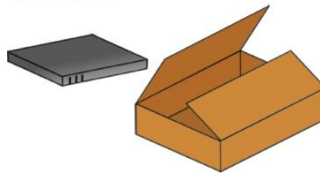

Fill your information in the application form

Step 2

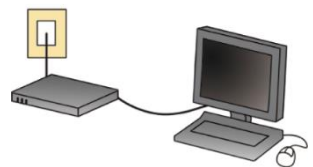

Put it in the blue envelope enclosed with application form. Post it in the mailbox
※The 4th sheet of application form is your copy. Keep it for yourself.

Step 3

The modem adapter and start-up letter reach your room. The earliest delivery date is 1day after Step 2.
※It takes around 2weeks depending on the situation.
※In LAN-type buildings, only start-up letter reaches your room.

Step 4

Plug the modem adapter to PC and phone jack. Now enjoy internet!
